REMINDER - The RETI Stakeholder Steering Committee will meet via WebEx tomorrow, April 13, at 1 PM.

WebEx Meeting Number = 925 539 030

Passcode = meeting@1

The primary purpose of this meeting is to approve renewable development scenarios to be forwarded to CTPG for assessment in its Phase 3 process.

Agenda:

- 1) Update on CTPG Phase 2 results and Phase 3 study plan (Mike Deis)
- 2) Consideration of RETI scenarios for CTPG Phase 3 (Rich Ferguson)
- 3) Other updates

Attached to this email is a brief description of the proposed renewable development scenarios discussed by the RETI Transmission Working Group. The TWG has not provided recommendations regarding some details, highlighted on the second page of the summary, which will require SSC decisions.

The SSC can adopt, modify, or reject either of the proposed scenarios or develop a new one.

Also attached for reference is the spreadsheet describing Scenario 1 which was given to CTPG for its Phase 2 assessment, the draft results of which are scheduled to be released April 14.
